

# Looking For a Career in Aluminium Die Casting Industry?

here is the opportunity...

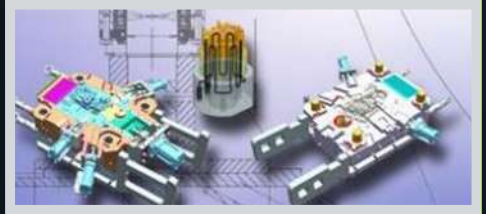

**TechSense**  
Simplified Engineering

## 6 Months Career Enhancement course in **Product & Tool Design for Die Casting**

Course Starting From 3rd July 2023 | Registrations Open

**Fees: Rs. 75,520 Incl. Taxes**

### Course Includes

- UG-NX CAD Software Best Practices
- Product Design and Feasibility Analysis (DFM)
- Design of Gating System
- 3D Die Design Considering Manufacturing, Assembly, Maintenance and Process Requirements
- Die Casting Process Simulation

### Course Schedule

- **Engineering PassOuts:**  
Offline, 4 Hours a day, (Monday to Friday)  
500 + Hours of training
- **Working Professionals:**  
Offline / Online, 8 hours (Every Saturday),  
200 + Hours of training

Under the guidance of

**Mr. Rajesh R Aggarwal**  
Founder of Techsense  
Engineering Services

### Address

Office No 514 Rama Equator  
Morwadi Court Road  
Near Finolex Chowk Pimpri  
Pune – 411018. Maharashtra, India
